

Job Title: Trainee, Logistics

Kalmar keeps global trade moving. Our innovative solutions contribute to every fourth container movement in the world and help transform the future of cargo handling. We believe in collaboration, delivering on our promises and that people make the difference.

Making your next move count

We are looking for a trainee in our Supply Chain Organization in Tampere. As a trainee your main task is to support logistics team and/ or production planner during the summer vacation period (May- September).

Main tasks and responsibilities:

- Handling material flow in ERP system (SAP)
- Organizing material deliveries from our warehouses to production partners & end customers
- Organizing material deliveries from our suppliers to production partners & end customers
- Generating purchase requisitions and maintaining production BOM in SAP
- Preparing different logistics/ transportation documents
- Ordering transportation services for shipments
- Assisting in invoicing and invoice processing
- Supporting logistics coordinator team and production planner in different office tasks
- PDM system (Sovelia) use for material information

What you'll need to succeed:

- Studying engineering or economics (B. Sc. or M.Sc.), preferable logistics
- Basic knowledge of logistics importing and exporting processes
- Knowledge of incoterms and other transportation legislation
- Analytical working style
- Strong IT skills, SAP knowledge is an advantage

We offer you:

We offer you an opportunity to put your skills and knowledge into work with diverse tasks. We value collaboration in our open and inclusive culture and you will get to work with great colleagues from different backgrounds. With us, you will have the opportunity to learn and develop yourself professionally - and have fun while doing it.

Our trainee network goes beyond a typical internship experience, creating a holistic environment that nurtures both professional and personal growth. The traineeship is active during the summer, providing opportunities to connect with fellow trainees through various activities and events.
