

Job Title: Trainee, Kalmar IM

Kalmar keeps global trade moving. Our innovative solutions contribute to every fourth container movement in the world and help transform the future of cargo handling. We believe in collaboration, delivering on our promises and that people make the difference.

Do you want to make your next move count? With us, you can.

Kalmar is looking for a Trainee who is passionate about Information Management tasks and motivated to strengthen the local Information Management team during summer 2024.

The position is located in Tampere, Finland.

Main tasks and responsibilities

- Collect and update the content for Kalmar Information Management Intranet pages in new company intranet
- Design and build the structure of user instructions for different Kalmar systems and collect the content from different solution areas as well as the infrastructure
- Information security related tasks
- IT Documentation consolidation from various sources including test cases and practices
- Contribute in IM strategy execution reporting and KPI follow-up practices.

What you'll need to succeed

- Student in a relevant B.Sc or M.Sc program
- Some experience in administrative tasks on the field of Information Management or Information Technology
- Good knowledge in English, both spoken and written
- Ability to work efficiently, proactively and independently while still having team player skills
- Demonstrating positive, professional and confident 'can do' attitude.

You will be part of

We believe in our people as it is our people who really make the difference. We always work in close collaboration with our customers, deliver on our promises and never walk away no matter how big the challenge. We succeed because we do it together. With us, you will have the opportunity to realise your potential and become an important member of our global team.

Our trainee network goes beyond a typical internship experience, creating a holistic environment that nurtures both professional and personal growth. The traineeship is active during the summer, providing opportunities to connect with fellow trainees through various activities and events.

Interested to join?

If you are excited about this opportunity, please submit your application with your CV latest by 10.3.2024!

We are reviewing the applications continuously and will fill the position when we find a suitable candidate.
