

## Job Title: Summer Trainee, VSL

*As pioneers and global leader, Hiab is ambitious to write forward our success story, inspiring and shaping our industry. The world in which we operate with our class-leading products, intelligent services and innovative digital solutions is constantly changing.*

### Together, we keep everyday life moving to build a better tomorrow

We are looking for Trainee - Value Stream Leader (Production Supervisor) for fixed term contract for summer period 2024.

### Main tasks and responsibilities

Your daily work is to work as an operative supervisor for assembly line workers, you are accountable for daily production execution and resource planning according to production plans. You are also responsible for safety and wellbeing at work.

### What you'll need to succeed

- We are looking for a person with appropriate technical background/studies ongoing, a person who has active and enthusiastic character. Previous experience from similar industries is an advance
- You have a passion to do a concrete and operative supervisor role and you need to be ready to work in two shifts. You are familiar with different IT tools/systems and you can fluently communicate both in Finnish and in English (verbal and written)
- Continues improvement of production processes, ensuring high assembly quality and team performance development is part of your DNA

### We offer you

We offer you an opportunity in a global organisation to put your skills and knowledge into practice in various meaningful working tasks. We value collaboration in our open and inclusive culture and you will get to work with colleagues from different backgrounds. These tasks will provide a great opportunity for you to grow professionally - and have fun while doing it!

Cargotec's Trainee community is active throughout the summer. You will get to know other trainees through different Trainee activities and events, which have been very valued among our Trainees.
