

Job Title: Trainee, Internal Audit

Cargotec is at the forefront of the transformation in the cargo handling industry. Our cargo handling solutions and services make global trade smarter, better and more sustainable. As leaders in ports, on roads and at sea, our business areas Kalmar, Hiab and MacGregor have a unique position to optimise global cargo flows and create sustainable customer value.

Join us for a smarter and better everyday

Our Internal Audit team has a reputation for nurturing potential and promoting the growth of talent, in and beyond the team. We have a great opportunity for a new team member. If the below resonates please get it touch, we'd be delighted to get to know you:

Cargotec's Internal Audit function, acting in an independent and objective manner, conducts Operational, Financial and Strategic audits to add value and improve Cargotec's operations and provide assurance to the Audit and Risk Committee of Cargotec's Board of Directors. Audits consist of reviewing the company's processes through thorough collection, analysis, and examination of documentation to ensure proper compliance with Cargotec's established internal controls. Cargotec's Internal Audit team has a reputation for nurturing potential and promoting the growth of talent, in and beyond the team.

Main tasks and responsibilities

- Support select phases of an audit
- Support select projects; demonstrating creative thinking and individual initiative while working as a team member, building solid relationships with team members
- Proactively seek guidance, clarification and feedback
- Demonstrate flexibility in prioritizing and completing tasks while exercising professional skepticism.

What you'll need to succeed

As an Intern / Trainee, you support Cargotec's mission to solve process and control related issues and achieve its objectives. Professional skills and responsibilities for this management level include but are not limited to:

- Be curious and learn ways of working in the business
- Think broadly and ask questions about data, facts and other information
- Support research, analysis and problem solving using a variety of tools and techniques
- Produce high quality work which adheres to the relevant professional standards
- Keep up-to-date with technical developments for area of specialism
- Analyse data and information responsibly
- Communicate confidently in a clear, concise and articulate manner - verbally and in materials produced
- Embrace different points of view and welcome opposing and conflicting ideas.

You will be part of

We offer you an opportunity to put your skills and experience into work and make an impact in our global organisation and the cargo handling industry. You will work together with great colleagues from various backgrounds inspired by shared, ambitious goals. We value collaboration in our open and inclusive culture. With us, you will have the opportunity to develop yourself professionally. Join us to make a difference - and have fun while doing it.

Our trainee network goes beyond a typical internship experience, creating a holistic environment that nurtures both professional and personal growth. The traineeship is active during the summer, providing opportunities to connect with fellow trainees through various activities and events
